THE WOMAN BEHIND THE INFLUENCE

A life led on purpose.

Leilani Anderson-Monroe, MBA is a Houston-based entrepreneur, media personality, Texas Real Estate Broker and founder of CEOess® and Boss Women Network.

Her work brings business leadership, authentic conversations, creative ventures and thoughtful private connections under one personal brand.

FOUNDER / MEDIA PRODUCER / STRATEGIST

CEOess® means Self First.

A CEOess® is a woman who recognizes that she is the CEO of her own life first. She prioritizes her time, peace, health, purpose and well-being before pouring into others.

Through CEOess®, Leilani helps women put business systems and AI automation in place to reduce demands on their time and make that self-first philosophy practical.

SELF FIRST IS THE PHILOSOPHY. SYSTEMS HELP MAKE IT POSSIBLE.

Conversations *that matter.*

Media is an extension of Leilani's leadership: a way to amplify business stories, exchange perspectives, and create meaningful connections without relying on large public stages.

BOSS WOMEN NETWORK
